ASLAN YOUTH MINISTRIES

ASLAN is in our 49th year of service to at-risk children in Monmouth County. Through mentoring, tutoring, recreation, enrichment and persistent care, ASLAN helps children, ages 5 to adult, overcome their difficult circumstances and become contributing members of society.

ASLAN graduates include a Navy Commander, several PhDs, engineers, systems analysts, pastors, teachers and nurses.

For 29 years, Aslan has also operated a vibrant work in northeastern Haiti. The current crisis has forced us to increase security and work harder to store medical supplies and nutrition program resources and maintain our clean water well. These programs are critical to the survival of many of our families in Haiti.

Through our stateside programs and in Haiti we regularly impact the lives of thousands of children and adults!
